

## Reflect® Tank Mixes

The following tank mixes were tested by Syngenta UK Ltd for physical compatibility with Reflect® at recommended rates of use and will mix in the sprayer tank. This list was published by Syngenta on the date shown. Tests have been undertaken on crop safety and product performance; as marketing agent Adama Agricultural Solutions UK Ltd will support the physical and biological compatibility of Reflect® as a 2 or 3-way tank mix with any of the fungicides, herbicides, insecticides or PGRs listed for treatments applied after the 1st January 2018. For further information on compatibilities, contact our Technical Helpline on 01635 876 622.

### 2-Way Mixes

The following tank mixes have been tested for physical compatibility with Reflect® and will mix at recommended rates:

#### Fungicides

Amistar	Folicur	Switch
Amistar Top	Nativo	Zephyr
Corbel	Rudis	
Dithane	Signum	

#### Insecticides

Biscaya	Decis	Toppel
Coragen	Hallmark with Zeon Technology	

#### Trace Elements

Syngenta UK Ltd will support the tank mixing of any of the above named trace elements with an existing 2-way tank mix including Reflect®. Syngenta UK Ltd advise that the trace element part of the tank mix is added to the sprayer tank last with constant agitation and the mixture is sprayed without delay.

Bittersalz	Headland Manganese 15%	Yara Vita Brassitrel Pro
Headland Copper	Yara Vita Bortrac 150	

### Incompatible Mixes

DO NOT tank mix with Headland Sulphur.

When using tank mixes always follow the statutory conditions of all tank mix partners. Physical compatibility tests check that the products will mix and are suitable for application through a conventional sprayer and may not be approved tank mixes. These tests do not check for any adverse crop effects or the biological efficacy of the individual products when applied in a tank mix. Adama Agricultural Solutions UK Ltd gives no warranty and accepts no liability in respect of physical compatibilities and use is at growers own risk.

Reflect® contains 125 g/l isopyrazam. Reflect is a registered trademarks of a Syngenta Group Company, marketed by Adama. Use plant protection products safely. Always read the label and product information before use.
